AKC Canine Health Foundation Meets the Match!

RALEIGH, NC (February 1, 2018) - The American Kennel Club Canine Health Foundation (CHF), a non-profit organization committed to better health for all dogs, is pleased to announce they have met their 2017 fundraising goals for the CHF Tick-Borne Disease and Epilepsy Research Initiatives. Through the generosity of the American Kennel Club (AKC), donations to these research initiatives were matched dollar-for-dollar to $250,000 for each initiative. CHF would like to thank their wonderful donors and the American Kennel Club for making this possible!

CHF also announces that the AKC will continue the AKC Donor Match Challenge for a fourth consecutive year. In 2018, the AKC will generously match all donations made in support of canine hemangiosarcoma research, up to $250,000. Additional 2018 match opportunities can be found at www.akcchf.org(match).

Hemangiosarcoma is an aggressive and common cancer in dogs, often invading the spleen, heart and other internal organs. While the cause of the disease is unknown, certain breeds such as Golden Retrievers, Portuguese Water Dogs, Boxers, and German Shepherd Dogs, are considered to be at increased risk for this cancer.

According to Dr. Diane Brown, CEO of CHF, “this donor match initiative, generously offered by the AKC, will allow CHF to direct more dollars toward research for this devastating cancer in dogs. Working with dog lovers and our partners at the AKC, we hope to accelerate the progress being made to fight this terrible disease.”

As in years past, the AKC will also continue to match any donations from new and lapsed donors (last donation made on or before 12/31/15) in 2018 up to $500,000!

Since its founding in 1995, CHF has become the largest nonprofit funder of health research focused solely on dogs. To date, CHF has awarded over $39 million in research grants resulting in over 670 peer-reviewed scientific publications. The AKC has contributed to CHF’s success by donating over $25 million in direct and in-kind support.

THE AMERICAN KENNEL CLUB GARNERS THE SUPPORT OF 126 LEGISLATORS AS HONORARY CHAIRS FOR MEET THE BREEDS

New York, NY- The American Kennel Club (AKC®), the world’s largest purebred dog registry and leading advocate for dogs, is pleased to announce that more than 120 legislators from New York, New Jersey, and Connecticut are sharing their commitment to responsible dog ownership this month by serving as honorary chairs for the Meet & Compete event hosted by the American Kennel Club and Westminster Kennel Club presented by Purina Pro Plan, which is part of Westminster Week. The legislators range from members of the U.S Congress to state legislators and assemblymen.

The AKC Meet the Breeds event celebrates responsible dog ownership and features the opportunity for the public to personally meet and learn about more than 150 different breeds of dogs and cats from nationally-recognized breed experts. The popular annual event takes place on Saturday, February 10 at Piers 92 and 94 in New York City. Many of the dogs on hand will also be participating in the famous Westminster Kennel Club dog show on Monday and Tuesday, February 12 and 13.

“We are excited and grateful for these lawmakers who continue to demonstrate their commitment to responsible dog ownership,” says Sheila Goffe, Vice President of Government Relations for the AKC. “Responsible dog ownership is the best way to ensure that every dog gets a safe and happy home.”

Click here to see the complete list of honorary chairs. Many have shared photos of themselves with dogs, which will be posted on the AKC Facebook page.

Patty Gorey shares ……
Late August I got an email from Joan Murko that a production company was looking for a Wire for a movie. It was for a segment on the Travel Channel called Mysteries at the Museum. First they wanted me to go to NY State to a field. After much discussion they did the shoot at my place. I have 8 acres. It worked out great. It took only 2 hours and we didn't have to drive anywhere.

The story line was one of General Washington's men found British General Howe's dog James. We couldn't add Bond to the name because he wasn't around back then. Washington directed his man to return the dog to General Howe. Washington said this was the perfect opportunity to steal documents from General Howe's camp. This is what the whole scene was about. James Bond was in good form that day. He had the actors giving him bits of their food and he would run to my fenced garden trying to get the tomatoes through the fence. His body hair was a bit thin, but I attributed it to old age. For their purposes he looked great.

About a week after this I googled excess thirst, peeing a lot, skin tabs and loss of body hair, it came up Cushings. I took him to my Vet that night and the testing showed Cushings. He went back for an alt day blood test and yes, Cushings. only gave him 3 half doses of Vetoryl and 4 days later he died. He died peacefully sleeping on my bed. From diagnosis to his death only lasted a few weeks and died of irritable bowel in the end, which is what killed Glory. He is buried over by my barn with the rest of my animals.

He died on Wednesday October 4, the day before the Hatboro and Montgomery shows which are close to my house, put the word out that was looking for an older Wire that I could strip. I contacted Susan Carter Nowicki and her Ralph was available. The Vosses brought him down Saturday to their hotel. When he saw me he licked me and that was it. I did change his name to Mr. Q in James Bond's honor. Q is short for Quartermaster who makes the gadgets for James Bond. A customer, Terry, thought that up and the name is more upbeat for performance. Terry is now his Godfather.

I took Mr. Q to a fun performance day in November where he saw rats for the first time. First he licked them and then he realized that they were rats. He seemed to enjoy Earthdog, so we will pursue that before Barn Hunt. We tried a straight Lure Course and Q liked that, too.

Mr. Q comes to work with me like James Bond did. He has settled in and sits and watches my window waiting for customers to come in. He is definitely Mr. Personality. The funniest thing he does is watch for people to take their mail out of their PO BOXES. He knows that there is a hand and face at the other end. He gets so excited to see a human at the other end. It is so hard losing your dog, especially so quickly. Q can't replace the loss of James Bond and James Bond couldn't replace Glory and so on, but they have a special place in my heart. Each one is unique and special.
Ingrid Butt shares..... Shine completed his PCDX - preferred Open title in Jan. and is working on his CDX title - has one leg so far. He is also working on his Rally Master title - you need 10 legs to get the title so far he has seven. Last year he completed his RAE - 10 QQ in Advanced & Excellent Rally. We are doing utility at match shows and hope to be competing this summer - of course first he needs his Open title.

Lucia Hackett shares....... Meet my new buddy! “Erik” Foxhaus Viking Gold of Foxomania RATN RN CGCA TK1 SN-C TDI came into my life in February 2017. He had some very big paws to fill with the passing of my Bella. I couldn’t have asked for more as Erik has been a joy and fills my life with so much fun. Thank you Bill & Kathy Voss for matching us up. When I visited, Erik made eye contact with me and it never stopped so home he came...all 12 weeks of him. Bringing up a smart puppy has been so much fun. We were two peas in a pod from the beginning. Erik earned his RATN with a first leg Blue Ribbon & High in Trial then his third leg also came along with a Blue Ribbon earned at the Montgomery weekend Barn Hunt Trials. Erik passed his Canine Good Citizen and Canine Good Citizen Advanced certifications in preparation for starting his obedience career. Recently he earned his Rally Novice title and CDSP Starter Novice title plus a qualifier in Novice. We have also started scent work which he loves and he has earned qualifying runs in the Performance Scent Dog trials. Most proud though that his temperament allowed him to pass the requirements for Therapy Dog International and he is now providing comfort therapy to our local high school and rehab facility. He is such eye candy and brings out smiles. Then because if I don’t define the tricks, Erik will play them on me so he enjoyed earning his AKC Trick Dog Novice and Intermediate titles. To top it all off Erik also posed for a Christmas themed photo shoot for TJMax/Homegoods last Christmas. It was so much fun to be shopping at Homegoods and look up from the pet aisle and see his handsome face! Another one who loves the camera! Loving this little man and our adventures together. Especially looking forward to Earthdog fun this Summer.

As always.... looking forward to hearing more of your brags, accomplishments and adventures in Obedience, Rally, Tracking, Earthdog, Coursing, Terrier Racing, Barn Hunt, Therapy Dog, Dock Diving, Trick Dog, Scent Work and any other performance sports our Fox Terriers enjoy. Send pictures too! Email me at lhackb92@verizon.net

“Long ago, Dogma told me and my littermates there comes a time when every puppy must have his very own family. Dogs are loved by people for many reasons, and it is one of the most wonderful things in the entire world when a human pack or family comes to our kennel to find some of its happiness. A puppy is very lucky to be matched up with his own person or family who will love him forever. With these thoughts, I prayed to Saint Bernard for my very own family. Eventually, they came, and in the fourteen-plus years I shared with them, my life had both wonderful and miserable times. The hardest thing was learning right and wrong. Fortunately, Angelo Wing-sandhalo was there to help, and what he said made sense. His archrival, Lucifer Hornsandtail, however, said things that were too good to be ignored. If I could remember, did I do what was good, or did I have a good time? I am Jellybean. This is my story. Not a word of this is untrue.”
