President’s Message

The Cracker Barrel Fair Grounds in Wrentham, MA was the setting for our second Floating Specialty of 2018 held in conjunction with the Fox Terrier Club of New England and the Ladies Dog Club Show on June 1-2, 2018. In addition to the two Specialties, there was a Junior Showmanship Clinic with goody bags and more for those Juniors entered at the Specialty, a silent auction and a generous Hospitality spread for all thanks to Danielle Furness, Annmarie Ruggieri, Lori Ferguson and Darci Brown. The weather was favorable, and judges, Mr. Jay Richardson and Ms Torie Steele had quality exhibits to choose from.

**Congratulations to the Wire winners:** BOB and Group 2 GCH Foxhaus Catching Fire at Foxhollow- Bdr Andrew DiGiorgio and William Voss, Owner David Barish and Andrew DiGiorgio. BOS CH Lutra Apps American Prince at Longvue- Bdr Tracy Szaras and Luiz Abreu, Owners Norma Appleyard and April and Todd Clyde. More coverage with photos and highlights can be seen on the Fox Terrier Club of New England’s Facebook page.

This year’s judging panel for Montgomery County in Wires has changed. Regular class judge, Mr. Michael Collings has had to cancel because of a medical issue, we all wish him a most successful recovery and Sweeps judge, Mrs Jean Finn has cancelled her assignment. Mrs Judy Hallbeck will now judge our regular classes and Mrs Lynn Sobin-Comstock will judge our Sweepstakes youngsters. Both of our Smooth judges will remain the same with Ms Claire Hoffman judging regular classes and Ms Elizabeth Tobin judging Sweepstakes.

We are now in the process of accumulating names for judges for the 2021 & 2022 ballot in both regular classes and sweepstakes. Please send your suggestions to Show Coordinator, Bruce Schwartz at AFTCJUDGE@aol.com. Plans are underway for the Annual Meeting and Awards Banquet to be held at the same location as last year the Spring Mill Manor on Friday, October 5, 2018. Our host hotel will once again be the Staybridge Suites in Montgomeryville. A flyer with all the information will be sent out “snail mail” and you can also access this information on our newly designed website under, 2018 AFTC. In addition, our Montgomery County catalog advertising information can also be found on our website and is being handled once again by Linda Sallee-Hill.

Here’s wishing you all a fantastic summer and much good luck at the upcoming shows!

See you in October,

Connie

AFTC Annual Dinner and Auction is quickly approaching. As you know Winnie Stout always sets up and runs an excellent silent auction all to benefit AFTC Rescue. She is again asking this year for your donations. All donation items can be brought in to Winnie on the evening of the auction or they can be shipped earlier to Winnie’s trusty assistant, Sheila Thulin, at 9204 N Solon Rd. Richmond, IL 60071. Let’s make this one the best yet!

Please visit our newly revised website at www.aftc.org for all things Fox Terrier! As we continue to improve the site with more and more information, we ask for your ideas and suggestions. Also, please “like” and check out our AFTC Facebook page. All pertinent information is shared to this page as well.

Submit your ads for new hopefuls and those wonderful wins. Our members would love to see your accomplishments.
GET THE WORD OUT!!

Your ad could be here! Business card ads can be submitted at any time throughout the year. Single issue rate is $15/$40 for the whole year. Contact Newsletter Editor at tocoasft@aol.com.

Performance Brags

Ingrid Butt shares some brags for her Smooth Fox Terrier “Shine” U-CDX UKC Open Title CH Sheez Beez Chip N Dales Star CDX PCDX BN RAE RM JE RATM….Front & Finish just published its 2017 AKC Combined Rally Rankings for Excellent & Advanced and my boy Shine is #1 smooth fox terrier. At the Penny UKC trials in May he went 3 for 3 in Open and can now add the letters U-CDX before his name. All 3 qualifying legs had placements a 1st - a 2nd and a 3rd. Now have to teach him the UKC directed retrieve exercises which are very different from the AKC's glove exercise.

Bonnie Bartlett is catching up on smooth fox terrier Fallon’s performance brags: I adopted “Fallon” Foxwell Rama Oh So Striking from Linda Sallee-Hill in November 2016. Fallon is our 3rd SFT and she filled a vacancy left by the loss of our 16.5-year-old, Smooth “Sassy” Foxwell’s Rebuttal. Fallon has been a joy from the moment we brought her home. She loves to go hiking and camping with my husband and me, which is exactly what we were looking for in our next SFT. We’ve hiked in the White Mountains in New Hampshire and the Green Mountains in Vermont as well as some hiking on the coast of Maine. She is a great camping companion. This girl can log 10-mile hike days over some rough terrain and come back for more the next day! For fun, Fallon earned her Canine Good Citizen title in May 2017. She finished her Barn Hunt RATN in September 2017 and her RATO in November 2017. We’ve competed in Happy Ratters, too, where she finished her RAT title in March and her HRAT title in April. We dabble in agility
and trick training, too. We’ll be doing more Barn Hunt and Happy Ratters in the spring and summer and LOTS more camping and hiking.

**Joanne Cote** shares that “Dazzle”, Ch. Cobell Rapidan Stardust, JE came to live with us last June after the sudden death of her dam, Maisie, and has taken to Terrier performance with great enthusiasm. She obtained her Junior Earthdog title at the Garden State Terrier trial on May third. The following week she got her Open rat title and is now in Senior. Breaking news Joanne shares that Dazzle just go her first Senior Barn Hunt leg...she is on a roll!

![Image of Joanne Cote and Dazzle](image.jpg)

**Karen Grettler** shares that many of my dreams for “Wink” MACH Hiwire Winking at Life MX MXB MXJ MJB UD TD RE TKA RATO recently came true in just three weekends. On May 25, 2018, Wink earned her Master Agility Championship (MACH); on June 2, 2018, she earned her Utility Dog (UD) title; and on June 10, 2018, Wink earned her Tracking Dog (TD) title.

The day I bring a Wire puppy home, I am driven to get at least a UD. Obedience is my first love and three of my previous Wires had UD's. Wink’s Novice title came quickly. Open was challenging because she struggled with the broad jump. After Wink’s Open title, I promised she would never again have to do that exercise she found so difficult. I was pleased with Wink’s first few Utility trials. Although she did not qualify early on, she had a nice attitude and tried hard. She was only failing the drop signal. One weekend in mid-October 2017, we got a lot of help during a run-thru in western Pennsylvania. Soon afterward, she was dropping on my signal. Wink got her Utility title in 13 trials; not a record but I am pleased. The journey to Wink’s MACH was a bit rough. She got both Excellent titles with only one non-qualified run. Masters went smoothly through the 2016 Agility Invitational but then she fell apart. The double Qs did not come and the points were few and far between. I sat on 19 double Qs for six months; 20 are needed for a MACH. This past winter, I almost gave up but I persevered because I tend to do that with my Wires! I studied how to develop a winning attitude, worked on my handling, hung in there with her, and we started to come back as a team.
I was certified for Tracking Dog/Tracking Dog Urban in August 2017 so our certification was set to expire in August 2018. I entered the TD test knowing we needed more time in the field but was encouraged by my instructor to try it. She said to “keep my head on straight and use it as a learning experience”. I drew a beautiful track but was concerned because it was raining and only 60°. Wink came through for me, tracking 455 yards with three turns in 9 minutes.

At 5 ½ years old, Wink is now retired from obedience and agility. We will try for a TDX because we both are happy together in the fields and woods. The game is beginning to click for Wink and I am learning to read her and to trust her. In addition to tracking, I am looking forward to returning to barn hunt. Wink has her Rat Open title but I put barn hunt on the back burner a couple of years ago for agility and obedience. Scent work and Fast CAT are two other performance events I hope to play with Wink. Wire Fox Terriers do not train or show like some of the popular herding and sporting breeds. That is okay with me because I chose to share my life with a Wire. My obedience instructor has always encouraged me to get a Golden Retriever so that I could more easily pursue an OTCH. While I love Golden Retrievers, I have to have a Wire.

Wink’s ribbons, awards, and titles are a tribute to the wonderful dog she is. Always quiet, polite, sweet, and adorable, Wink is a wonderful dog to live with. Every day, Wink inspires me to that special relationship enjoyed only by those lucky enough to train and compete with a performance Wire Fox Terrier.

**Patty Greaves** shares that “Mr. O” Ch Wyrlake Wreck It with Foxhauw and I made our first trip together to Wire Fox Terrier Cub of Central States show in May. We took the course on scent work, but he didn’t seem interested. Last minute I signed him up for Barn Hunt, with no practice under our belt. We bombed out in Earthdog the week before so I decided that he might like Barn Hunt instead. We did an Instinct practice to get him used to thinking the rats were above ground. When we actually did Instinct I called the bedding tube, so WE failed. Our first Novice class I softly told him to “Get the Rats”! He ran past the tunnel and around the ring. He then lifted his leg. Failed AGAIN! I went out of the ring and tried to figure out what went wrong, so we could do better in our second try. Thinking back to the previous week in Earthdog, the practice Judge said we didn’t say “Get the Rats” loud enough. If someone in a soft voice said “Look at that!”, would you look quickly? If someone screamed “Look at
that!” you certainly would check it out at once. This was my strategy for the second trial. In our second trial I got O looking straight ahead at the tunnel so I yelled “Get the Rats!” He went through the tunnel, jumped up on a hay bale, turned right, jumped up on another hay bale and started digging in between. I waited a few seconds and yelled “Rat”. Yes, it was the rat tube! We got our first Barn Hunt leg! When it came time for ribbons I was getting anxious. They called the 4th runner up, the 3rd, the 2nd, but not us yet. I know we qualified. I just wanted our brown ribbon. To my amazement we had the fastest time and came in first. I was so pleased that we made it work as a team. I also had him entered in the trick class. Unfortunately, he stopped eating Thursday night and Friday morning. He wasn’t himself and wasn’t motivated by treats to do tricks, so we scratched. Next year we will be able to do our tricks better. By Friday night he was back to being himself and eating. Never give up on your dog. They have bad days like we do. Sometimes it’s our communication to them that isn’t clear.

Lucia Hackett shares that “Erik” Foxhaus Viking Gold of Foxomania RN RATN CGCA TKP SN-C TDI earned his Trick Dog Performer title. I think Trick titling was a good idea on AKC’s part and encourage folks to try it with their fox terriers. When a fox terrier is having fun you know it. Erik earned his at the New England Terrier Club’s Fun Day; outside in steady rain while meet the rats was going on one side of the field and a mini lure course was active on the other to which he knew both were happening. No matter… tricks are so much fun it kept his attention! Then you can see from the picture that Erik loves the FCAT lure coursing ability tests and just qualified for his BCAT title. His speed first time out was 17.5 mph and his last qualifying run was 20.9 mph I think he has the idea! Another performance area that allows the terrier spirit to shine and give it a try too if it is in your area. Erik and & made the trip out to Ohio for the Wire Fox Terrier Club of Central States annual show. He earned his second BN qualifying leg and his first leg in Rally Intermediate earning the Blue Ribbon in both classes too. Then we have an active UKC show scene within driving distance and had fun showing Erik to his UKC Championship. Putting all the expert grooming instruction I was given at Central States to good use. Looking forward to a fun filled Summer with my best buddy!

As always.... looking forward to hearing more of your brags, accomplishments and adventures in Obedience, Rally, Tracking, Earthdog, Coursing, Terrier Racing, Barn Hunt, Therapy Dog, Dock Diving, Trick Dog, Scent Work and any other performance sports our Fox Terriers enjoy. Send pictures too! Email me at lhackb92@verizon.net
The American Fox Terrier Club Membership Foundation was established in 2012 to recognize those members with thirty years or more of continuous membership.

The AFTC has been fortunate to enjoy a strong membership over its one hundred and thirty-two years. The club is indebted to those long-time members that continue their support whether or not they breed, exhibit or even own a Fox Terrier.

Each year the membership roster is researched for those members who have thirty, forty and fifty years of continuous membership. The new inductees receive a certificate and will have their names listed in the Annual and announced at the annual dinner Montgomery County weekend.

For 2018, we have three new inductees who have thirty years of continuous membership: **Ruth Edwards, Donna Meadows and Linda Reece**. There are five members who became forty-year members; **Diane Moorman, Mary Morris-Collings, Joan Murko William Potter II and Jan Werner**. This year we lost two of our fifty-year members; **Jim Smith and Joe Bousek**.

There is a total of eighty-eight members with thirty years or more of continuous membership.

The Board of AFTC congratulates the new inductees into the Membership Foundation and thanks all its members for their continued support.
