Subject: AKC Registration Information - Mid 2018 update

Good afternoon,

Attached please find the latest version of the Parent Club Registration Stats, including pdf. files for your breed, your group(s), and all breeds. This new version has the same information we shared in March, with the addition of 2018 year to date through June.

Please feel free to share the attached information with your club membership as you see fit in order to stimulate discussion about registration and possible changes or improvement initiatives per the original rationale for sharing (below).

Original rationale for this data sharing (from email dated 11/07/2017):

Although registration numbers have been on the rise now for a number of years after nearly two decades of continuous decline, some breeds are not rebounding as well as others. The Board and staff have discussed this matter, and we are reaching out to each Parent Club to determine how AKC registration processes and procedures can be improved to better support breeders and to explore how AKC could further assist Parent Clubs in their mission to develop and steward their breeds. Additionally, the Board has asked that certain registration information be shared with each Parent Club in order to provide a statistical snapshot of the current state of each breed and to stimulate discussion within and between clubs and staff regarding possible improvement initiatives.

As noted in the previous distributions of this information, the attached includes the counts of litters, litter complement, and dogs registered for your breed since 2008. [Note: “Complement” is the count of pups from each AKC litter.] The .pdf also includes the counts of unique dogs and bitches that are breeding and participating in conformation. Those counts are finite and will change only minimally over time and generally only due to cancellations of litters, dogs and/or awards.

On the other hand, there are a number of rows that indicate “to date,” such as “Total Complement in Conformation (to date).” All rows with “to date” information are refreshed every time we reprocess this report. This is so you will have an accurate picture of the puppies produced in any given year. For instance, of the 1.7 million puppies produced in AKC Litters in 2008 (a.k.a., the Litter Complement for 2008), over 157,000 or 9.3% participated in conformation as of June 2018. Every time we update this chart, the system looks at all litters from 2008 to see if any additional dogs have started in conformation. Obviously, there will not be many 2008 pups entering Conformation or Breeding for the first time in 2018, but there will be many updates to the information known about pups born in 2017 and 2018.

As always, please do not hesitate to reach out to me for additional information or to discuss your breed’s data and your thoughts on how we can improve.

Regards,
Mark

Jim Smith's relationship with Eddie and Lesley Boyes began in 1999, after he contacted them at the suggestion of John Mandeville. Jim purchased two smooth fox terriers, a dog and a bitch, and as they say, the rest is history. What started with a couple, quickly snowballed into an impressive breeding program which would become what's known today as Absolutely Smooth Fox Terriers. With the development of the kennel in New York, Jim was in need of an experienced, capable, and dedicated hand to take charge of the operation, and with Eddie's suggestion, Dana Schumacher was hired. Jim always said the best thing Eddie ever did for him was to find him Dana. The following years brought much success to Mr. Smith, he accomplished everything he ever dreamed of and did so graciously. Absolutely Smooth Fox Terriers has produced multiple BIS, BISS and National Specialty Winners, as well as having success overseas, most notably, winning both the dog and bitch CCs at Crufts 2016. Despite the success, Jim still loved the dogs more than he loved the ribbons. Lesley fondly remembers the first time Jim visited their home and kennel in Grass Valley, California. Jim removed his loafers and sat in the puppy pen, letting the little smooths, bite, tug and carry on as puppies do, all with a wide smile across his face. Whenever Jim visited, he, Eddie, and Lesley would never fail to doze off in the sunshine while watching the next generation of Absolutelys play in the grass. That was how litters were graded, by watching the puppies naturally pose and move about their yard. Jim truly loved his dogs. 2014 was the last year that Jim, Eddie, and Lesley were together for Montgomery weekend. We flew out a week before for the Wine Country shows, and to see Jim’s newly remodeled home. Jim had spent decades quietly curating an extensive art collection that, with the help of Chuck Winslow, was beautifully displayed throughout his home. Lesley suggested he have it photographed and published, but Jim refused, saying gentleman don't do such things. His collection was truly incredible. So much could be said about Jim Smith, and there's so much to remember him by; former Chairman of the Board for the American Kennel Club, former President of the American Fox Terrier Club, 2012 AKC Breeder of the Year, amongst several other titles and awards, but Jim will be remembered as an extraordinary gentleman and a dearly loved friend to those who knew him best.
Please visit our newly revised website at www.aftc.org for all things Fox Terrier! As we continue to improve the site with more and more information, we ask for your ideas and suggestions. Also, please “like” and check out our AFTC Facebook page. All pertinent information is shared to this page as well.

Submit your ads for new hopefuls and those wonderful wins. Our members would love to see your accomplishments.

**Bred By Exhibitor Award**

The AFTC has an award to present to a Smooth and Wire Fox Terrier Champion, finishing solely from the Bred By Exhibitor Class. This means that ALL points must come from Bred By. Also, ALL breeders and owners must be a current member of AFTC. (This is very important to remember). The winner will be to the first dog or bitch of each breed to be submitted for the current year.

If your dog or bitch qualifies, please send the name of dog, owners and breeders, and list of shows (or AKC acknowledgement of finishing from Bred By) to Shannon Theel.

Unfortunately, a lot of our members appear to be unaware of this award, and we would like to see it awarded going forward.

Thank you all in advance and good luck. If you have questions, please do not hesitate to call Shannon at 775-674-3435 or email to foxtheel56@gmail.com

Bonnie Bartlett shares....We adopted Fallon (Foxwell Rama Oh So Striking) from Linda Sallee-Hill in November 2016. Fallon is our 3rd SFT and she filled a void in our homes and hearts left by the loss of our 16.5-year-old, Smooth, Sassy (Foxwell’s Rebuttal).

Fallon has been a joy from the moment we brought her home. She loves to go hiking and camping with my husband and me, which is exactly what we were looking for in our next SFT. We’ve hiked in the White Mountains in New Hampshire, the Green Mountains in Vermont, Acadia National Park in Maine and a few mountains in the Adirondacks of New York. Fallon is a great camping companion - always quiet and polite at each and every campground. She is adored by campground owners!

Although we adopted Fallon more for companionship over performance, Fallon is no slacker in the titling department as she passed her Canine Good Citizen test in May 2017. She finished her Barn Hunt RATN in September 2017 and her RATO in November 2017. We also compete in Happy Ratters (urban style ratting) where she finished all 5 levels of titling in 2018. Ratter title in March -Happy Ratter in April- Expert Ratter in June -Champion Ratter in August -Extraordinaire Ratter in September!!

Fallon loves to learn tricks and we have our AKC TKN (Novice), TKI (Intermediate) & TKA (Advanced) titles. She also has her Trick Dog Novice, Intermediate and Advanced titles from the “Do More with Your Dog” organization. We dabble in agility, too, but it truly isn’t Fallon’s calling. I am sure there will be more avenues to explore with this wonderful girl.

Ingrid Butt shares......

What a summer we have had! Shine earned his UD - going 3 for 3 - this is a very difficult feat even for more traditional obedience breeds like Goldens or Border Collies - almost unimaginable for a SFT. He joins my Peanut (my Novice A dog) and Diva in accomplishing the UD title in just 3 tries. At our first trial after earning his UD through attrition (only 4 dogs qualified) he earned 3rd place and his first OTCH point! The weekend before he finished his UD we competed in Earth Dog for only the 2nd time and he went 3 for 3 earning his Senior Earth dog title. Our first run he recalled out of the tunnel with 1/10th of a second left - talk about qualifying by the skin of your teeth! We will try Master in the Fall. He is such a joy to train and show in performance events!
Patty Greaves shares.....Ch. Wyrlake Wreck it With Foxhaus “Mr. Q” (formerly known as Ralph) has been with me almost a year now. Where did the time go! “Q” just earned his Novice Barn Hunt title and all with first place blue ribbons. When he is on he is really on! “Q” is such a delight, so smart and is currently learning new tricks and obedience. He is a working dog and comes to work daily with me. My Post Office customers love him and I so enjoy seeing that smile on their face.

Joe Punzalan shares.....
After 1,000s miles run, at age 11 Meg earned her Master Agility Champion (MACH)! Breeders, Torie Steele and Mari Morrisey first and only MACH WFT! Ranked #2 Wire Fox Terrier 12” in Power & Speed. Ranked top 5 WFT 4 consecutive years for the AKC Agility Invitational!

Meg ~ CH MACH Steele Phoenix with Brookhaven MXB MJS TKN

Lucia Hackett shares.....I am so proud of “Erik” UKC Ch. Foxhaus Viking Gold of Foxomania RN RATN CGCA TKP CAT TDN SN-C TDI for the many qualities that make up a biddable dog who is a pleasure to live with. But perhaps most proud of the qualities that make him suitable to be a Therapy Dog. Erik earned his AKC Therapy Dog Novice title recently. For the many of you who do therapy volunteer work with your Fox Terriers you know exactly what I am feeling. We volunteer at a local high school and for the entire time we are there I have a smile on my face watching how the kids react and interact with him. Some kids excited, some shy or cautious, some interact in a quiet moment of just dog and human relieving stress, selfies with Erik or just a walk by with a big smile. None have ever seen a WFT so it is especially fun to share information about the breed. Erik is also really loving scent work and titled at the novice level in the Performance Scent Dog organization and has recently titled in AKC Scent Work Novice Interiors, Containers and Exteriors. He also recently passed his ORT Test for the National Association of Canine Scent Work (NACSW) and fingers crossed we might get into a trial before the season ends soon. Hard to believe Erik isn’t even two yet but on the flip side if I don’t plan the activities I know he is perfectly capable to playing his own games on me!!

As always.... looking forward to hearing more of your brags, accomplishments and adventures in Obedience, Rally, Tracking, Earthdog, Coursing, Barn Hunt, Therapy Dog, Dock Diving, Trick Dog, Scent Work and any other performance sports our Fox Terriers enjoy. FOX TERRIERS AT NEWSTEAD ABBEY
William Eddowes Turner (1820)

“This painting was completed for the 6th Duchess of Newcastle in c. 1870. A composite picture, it is reasonable to assume that not all the dogs were still alive when it was painted. Historically important, it shows 31 dogs at a transitional time for the Fox Terrier when it was moving from being purely a hunt terrier to one of a show dog as well. Trimmer, the dog to the right of the rabbits, was the first Fox Terrier to win a prize at any British Dog show. “

*As Stated by The Kennel Club*
Many thanks to member, Captain Jean Heath (Blackwatch), for sharing these wonderful treasures from Dan Kiedrowski’s photo and print archives.

Audit Findings

Susan Hogan  
Treasurer, AFTC  
135 Weston Road  
Plainfield, CT  06374

Dear Susan:

Attached you will find my audit of the American Fox Terrier Club Accounts. Based on the documents I have ex-
amined I find everything to be correct.

Should you have any questions about the audit and my reports, please do not hesitate to contact me.

Thank you again for allowing me the opportunity to conduct the audit. It is nice to see the club has been able to
keep expenses below income. I greatly appreciate your service to our club.

I am looking forward to being at the Montgomery show this year. As always, I am a Texan seeking a little bit of
fall in Pennsylvania!
