PRESIDENT’S MESSAGE

On Saturday, March 18th, the second floater in 2017 was held once again with the Kentuckiana Cluster, Evansville K.C. Due to an overload, Edd Bivin was unable to judge the Smooth assignment as scheduled so breeder/judge, Lorraine Gyenge "Foxlorr" rose to the occasion. Later in the afternoon Edd was able to complete his original assignment and judge Wires. Sweepstakes in both Breeds was judged by Debi Breiter, "Breitwire". Congratulations to GCH High Mtn Warfox High Noon at Foxterity, Smooth Best of Breed winner and GCH Foxhaus Catching Fire at Foxhollow, Wire Best of Breed winner also Misty Hollow's Solitary Man, Smooth Best in Sweepstakes and Foxfarm Fatal Attraction, Wire Best in Sweepstakes.

This was the first Specialty for our new Trophy Chair, Lori Yotter who with the help of her good friend and Board member, Elise Singer did an excellent job! Please let Lori know how much you appreciate her taking on the position the next time you see her.

Ringside hospitality was provided again this year for both Smooth and Wire judging and enjoyed by all.

Our hospitality committee consisting of Jo Hubbs and Jan Ritchie Gladstone have located a new facility for our Annual Awards dinner and General Meeting, the Spring Mill Manor which is located very close to Hatboro, in addition to finding a new host hotel at Staybridge Suites. Please see the flyer included in this newsletter.

Our 2017 AFTC National held with Montgomery County K.C. will for the first time in decades, have one judge for both Breeds. Gabriel Rangel was the top #1 name on our 2017-2018 ballot for both Breeds and has agreed to officiate.

Our Sweepstakes judge for Smooths is Traci Matthews, "Tocoa" and Doug Belter for Wires.

Balloting for 2019 & 2020 has been tabulated and in addition to Louisville, locations for our second floater are under way. The Wire Fox Terrier Club of the Central States just held their 71st annual Specialty and there was discussion about holding an AFTC floater in conjunction with Central States. It was presented to their Board and was approved unanimously to take place in 2020. Members of the AFTC Board were presented this same information and have also unanimously approved the WFTCCS venue for 2020. In addition to conformation judging, Central States also offers Barn Hunt, Rally and Obedience competition beginning on Thursday and Friday, Seminars.
and the Futurity on Friday with Sweepstakes and Regular Classes on Saturday followed with a dinner and silent auction and raffle. The location is the Roberts Center, Holiday Inn-Wilmington, OH held in Eukanuba Hall with a lot of grooming space, motor home parking, etc. and an onsite restaurant.

It is my understanding that there is discussion among Smooth members to begin the organization of a sanctioned club which could then join the 2020 shows with a point show giving both Breeds two opportunities for majors in addition to our Floater. If formed now, there is just enough time to meet all AKC requirements and thus be able to join this wonderful weekend of shows.

The Board is always open to suggestions for improving the Club for all its members. Communication is vital in making things happen and if you would like to see other activities take place on a National weekend in addition to conformation, please let us hear from you. The Montgomery County weekend is usually so hectic that it doesn't allow time for extra activities but our floaters certainly could.

A committee could be formed to establish other activities in time for our 2018 Floater in Louisville, so please let us hear from you with any and all ideas.

Have a wonderful summer,
Connie

Former AFTC President and owner/handler, breeder judge, Madison Weeks passed away May 17, 2017. He is survived by his longtime companion, and co-breeder of the Waybroke Smooth Fox Terriers, Hubert M. Thomas. Memorial donations may be made to the Take The Lead Foundation. A full obituary will follow in the next issue.

To all Member Club Delegates and Secretaries:

New York state law requires the AKC to notify members of any action taken by the Board of Directors regarding indemnification of directors and officers. On October 10, 2016, the Board of Directors of AKC adopted a resolution indemnifying directors and officers in connection with their actions as a director or officer of the AKC or in connection with activities undertaken by them at the request of AKC. No indemnification will be provided if the director or officer acted dishonestly or in bad faith. These protections are typical in the non-profit sector and ensure that highly qualified people will continue to be willing to serve as directors and officers.

Sincerely,

James P. Crowley

The AFTC is currently interested in developing a committee to look at ways to encourage new membership and mentorship to breeders and breed enthusiasts. We are interested in promoting membership and mentorship to all ages, with particular outreach to juniors and younger breeders.

If you are interested in helping with this project, please contact Jan Ritchie-Gladstone at

jan@territch.com

The formation of a new Smooth Fox Terrier AKC regional/local member club is in the early stages of coming to fruition. The demographic area for this organization will be the Ohio River Valley and will welcome members from all over the country. Please watch for future announcements in the AFTC Newsletter, Facebook and other social media outlets. 2020 is looking good to be a great year to come together to celebrate all things Smooth and Wire Fox Terriers.

Karen Grettler shares that “Wink” Hiwire Winking at Life MX MXJ RATO can now add an AKC CD to her list of titles.

Karen and Wink finished up her title with 2 first places at the Clarioin Canine Obedience Club Trial in April.

It is with a very heavy heart that I share personal news that my Bella passed away peacefully in my arms at the end of January at 15 ½ years. Bella had been experiencing night time dementia and it came to a point where we ran out of medication options to help her. I was worried that I would come home and find that she had passed but she gave me the final gift of our touching to the end. She was my first performance WFT and had a wonderful work ethic and loved playing all the silly human games with me. There was not a time when I looked at her that I didn’t think she was the most beautiful dog. I was blessed to have her in my life.

Exciting Combined Title Award Program changes:

You may have heard that an AKC Scent Work title has been added to their list of performance sports. The kickoff for this venue is October 2017.

AKC has also adding a Trick Dog Title. One of the ways you can earn this AKC title is that AKC will recognize Do More with Your Dog! Titles. The journey towards earning these titles will be so much fun and to add a little encouragement to do so the AFTC will recognize these two new titles in the Combined Title Awards Program. Visit the AKC site to learn more about these two new titles. An updated AFTC Combined Title application is included with this issue. Enjoy!!

As always.... looking forward to hearing more of your brags, accomplishments and adventures in Obedience, Rally, Tracking, Earthdog, Coursing, Terrier Racing, Barn Hunt, Therapy Dog, and now Trick Dog, Scent Work and any other performance sports our Fox Terriers enjoy. History Lesson.....

Arthur Wardle
Artist
English
1864 - 1849

He was born in London on 5th February 1864, and he lived his boyhood in Chelsea with his widowed mother and sister. Living in an art district of London he showed great willingness to paint and draw, and would beg local artists to teach him, particularly those drawing animals.

His first painting at the Royal Academy was at the age 17, in 1880, when he also showed two paintings at The Royal Society of British Artists.

He quickly became known for his exceptional precision and (and today), his preeminence in the painting of the pure-bred dog. For this Wardle was a master, and is historically important. He also painted big game animals.

He painted on his own and commissions, in which, it is said on occasions he would improve the dog’s looks.

In fact, he was prolific. He exhibited 113 paintings at the Royal Academy, from 1880 to 1938. He also exhibited commercially at The Fine Art Society, and became one of the earliest dog painting exhibitors at the Ryder Gallery, in 1901, showing two works.

Then there were numerous paintings for postcards such as Paul Keevil (80 designs) and Spratts, (36 designs), 250 paintings cigarette cards, for Wills and, in the 1930’s for John Player. Greetings cards, playing cards, calendars etc., and advertising work, for example Buchanan’s, and Black & White.

He further executed numerous book illustrations for example for ‘A History and Description of the Modern Dogs of Great Britain’ and ‘Modern Dogs’, by Rawden B Lee, and ‘Show Dogs’, by Theo Marplies, which was developed from his running series in “Our Dogs”. The idea of the series was to portray the ‘ideal’ specimen of each breed, to form correct models for the breeders.

Like Landseer, his paintings went to print, including many fine art productions.

Wardle was equally proficient in paste and watercolor, as well as oil. In 1911, he was elected a Member of the Pastel Society, in 1911. Then in 1922 he was elected to the Royal Institute of Painters in Watercolors. Two of his paintings were included in the inaugural exhibition of the Society of Animal Painters in 1914, and in 1924 he was one of the few animal artists represented at the Palace of Arts at the great British Empire Exhibition at Wembley in the ‘Modern Oil Painting’ section.

Through his love and understanding of the pure breed dog, he painted almost certainly every breed, and so left an extraordinary number of works, which today include paintings in the Tate Gallery, The Kennel Club, The American Kennel Club, and The American Kennel Club Museum.

***Note: Subject of painting is assumed to have been from Frances Redmond’s Totteridge kennel

Editors Note:

Just a reminder to please make sure all ad material (print ready or otherwise) should provide photos at 300dpi or (full resolution) for best print quality.

Also, if ads are not sent in “print ready”, verbiage supplied will be printed as given unless permission to edit is given.
